

Sponsorship Application Form

Every year Fiber Fresh receives a large amount of sponsorship requests. As a matter of fact these numbers are growing and it can easily get out of hand.

As a result, and in order to deal with each of the requests efficiently, we have put in place a sponsorship request that you can fill in and resend it to the email or postal address indicated below.

You will also need to comply with the terms and conditions stated.

- Application must be submitted 2 months prior to the event date
- Form must be filled in correctly and completely in capital letters
- Form should be accompanied by a sponsorship proposal (with different options) or a sponsorship letter with the letter head of the organization or event
- The sponsorship will only be valid once you receive the approval/confirmation from Fiber Fresh
- We would also appreciate receiving a list of riders that have participated in the event.

*The sponsorship policy will be applied in all cases.
