

BOOST+®

- ✓ Fresh cut Lucerne and kibbled Barley to optimise digestive health
- ✓ Builds top-line and condition
- ✓ Superior protein and amino acids for young growing horses
- ✓ Contains all essential vitamins and minerals for a complete feed

Boost+ contains a comprehensive vitamin and mineral premix so it can now be fed as a complete feed taking out the guesswork and need for additional supplements.

Fiber Fresh Boost+® is a specifically formulated feed comprising of freshly cut Lucerne and kibbled Barley, mixed in the correct proportions, of fibre:grain being a 2:1 ratio by weight.

This ratio is ideal to increase saliva production, slow intake, increase digestion and metabolism of both the grain and fibre portion, plus maintains healthy gut function and hydration. The unique process of controlled fermentation of the Barley enhances its starch digestibility.

Boost+® provides superior protein and

amino acids for development required in young horses, equine athletes and those requiring a conditioning feed or top-line boost. The balance of protein and highly digestible slow-release energy makes it ideal for stallions, broodmares, youngsters and sport horses needing a safe, high energy performance feed.

Boost+® is the highest energy / calorie product within the *Fiber Fresh* range. It is therefore ideal to maintain body weight in older horses.

TYPICAL ANALYSIS Dry Matter Basis

NUTRITIONAL JUICES (AS FED)	45.0%
CRUDE PROTEIN	17.5%
ACID DETERGENT FIBRE (ADF)	16.2%
NEUTRAL DETERGENT FIBRE (NDF)	23.9%
ASH	9.7%
SOLUBLE SUGARS	3.1%
STARCH	23.5%
CRUDE FAT	2.6%
DIGESTIBLE ENERGY (DE)*	12.4 MJ/kg
CALCIUM	0.84%
PHOSPHATE	0.33%
MAGNESIUM	0.17%
POTASSIUM	1.58%
SODIUM	0.77%
CHLORIDE	1.06%
SULPHUR	0.24%
IRON	148 mg/kg
